Enclosure: Transcript Instructions for Pro Se Litigants

Official Court Transcript Filing Procedure:

- Pro Se Litigants will be mailed a Notice of Electronic Filing upon the filing of the transcript. For a period of 90 calendar days the transcript will be restricted in CM/ECF to court users, public terminal users, attorneys who have purchased a copy from the court reporter and others as directed by the court. Transcripts can be viewed in the Clerk's Office, but copies may be purchased only from the court reporter during this 90-day period.
- All filed transcripts are subject to redaction of personal identifiers as identified by counsel of record or parties to the case. To review the transcript, parties may access it through the public access terminal in the clerk's office, or purchase a copy from the court reporter. See Redaction Requirements below.
- If applicable, the redacted transcript must be filed within 31 days after the filing of the original transcript. It will not be available through PACER until the 90-day period has ended.
- After the 90-day restriction period, charges for access through PACER will accrue for the entire transcript. There will not be a free copy of the transcript.

Redaction Requirements:

- Parties in the case must review the transcript for redaction of these personal identifiers:
 - Individuals' Social Security numbers
 - Names of minor children
 - Financial account numbers
 - Dates of birth
 - Home addresses in criminal cases
- Parties must review the following portions of the transcript:
 - Opening and closing statements made on the party's behalf
 - Statements of the party
 - Testimony of any witnesses called by the party
 - Any other portion of the transcript as ordered by the court
- If only part of the transcript is ordered, parties are not responsible for ordering and reviewing other parts of the proceeding.
- Parties have the responsibility of requesting redaction even if the requestor of the transcript is a judge or a member of the public/media.
- Neither court reporters nor the Clerk's Office are responsible for the identification of the need for redaction of transcripts. Instead, it rests on the parties to tell the court reporter where to redact.

Redaction Procedure:

- If redaction is necessary, a Notice of Intent to Request Redaction must be filed within **7 calendar days, from the filing of the transcript**. See *attachment #1*.
- Parties must provide a statement directly to the court reporter within **21 calendar days** of the filing of the transcript, listing the information to be redacted by page and line number. If this statement is not provided to the Court Reporter within the 21 days, the court may issue a Order to Show Cause or take other action. If the party wishes to redact other information a motion must be filed. The transcript will remain restricted until this motion is ruled on, even though the 90 day period may have expired.
- The court reporter will then file a redacted transcript which will also remain restricted from PACER for the 90 day period.
- After the 90 day period has expired, the redacted transcript will be available through PACER and the un-redacted transcript will remain restricted.
